## THE DR. CALVIN R. STILLER KEYNOTE LECTURE

**Holly Graham PhD, RD Psychologist, RN, BA, BScN, MN**

Associate Professor, Department of Psychiatry, College of Medicine  
Indigenous Research Chair in Nursing, College of Nursing  
University of Saskatchewan

Dr. Holly Graham is a member of the Thunderchild First Nation, SK. She has worked as a Registered Nurse (RN) in northern communities and various other health care environments since 1985. Currently, Holly is an Associate Professor in the College of Medicine, Department of Psychiatry at the University of Saskatchewan. She also maintains an active practice as a Registered Doctoral Psychologist, working primarily with individuals who have experienced trauma and symptoms of posttraumatic stress disorder (PTSD).

Holly's research is strength-based with a focus on Indigenous health, mental health, and wellness. She currently holds an Indigenous Research Chair in Nursing awarded by the Canadian Institutes of Health Research (CIHR), Saskatchewan Health Research Foundation (SHRF), and the Canadian Nurses Foundation (CNF). Dr. Graham's Research Chair, entitled *wahkohtowin* (We are all Related and Interconnected), will support and mentor undergraduate and graduate nursing students to engage in advancing reconciliation within nursing practice, research, education, and administration.
