IN PARTNERSHIP WITH

University of Saskatchewan

Thursday, November 12, 2026

8:00 AM - 3:15 PM

EXPLORE A CAREER IN THE HEALTH SCIENCES!

Are you...

- a student in grade 10, 11 or 12 who likes the sciences?
- interested in learning more about career options in medicine and the health sciences?
- looking for an opportunity to interact with researchers, clinicians and educators in their work settings?

This event may be for you!

The day includes a dynamic keynote lecture, two interactive workshops and a Career Panel Q&A.

The Canadian Medical Hall of Fame is committed to fostering inclusion and supporting the leadership efforts at Canadian universities to change the diversity pathway to medicine and the health sciences.

We encourage students who self-identify as Indigenous, Black or a Person of Colour, or who come from a rural or known disadvantaged socioeconomic background to attend this event.

LEARN MORE

I absolutely loved my experience at Discovery Day! I learned so many great things and got more information that will help me achieve my goal of being an MD! It highly exceeded my expectation, and I will hopefully be able to come back next year! - Discovery Day Participant
