

During online Discovery Days, it is possible the interactive video elements (i.e. workshops and panel discussion) may be recorded and/or screen captures taken for promotional purposes such as social media posts and/or newsletters.

By signing below, I hereby:

...give permission for this material to be printed, published, posted on websites, and/or broadcast in the public forum.

...acknowledge that it is the responsibility of each participant to avoid such attention by keeping their camera off where consent has not been extended.
